### ADDITIONAL BRIDESMAID / MOTHER OR GUEST MAKEUP £70PP

Additional faces can be added onto to any package.

### TRAVEL CHARGE *-Added onto packages separately*

This will be calculated on a bespoke basis for each booking depending on the location.

10 miles of total travel are included on the day of event, any miles after the first 10miles from the studio, will be charged at 0.55p per mile. An additional £10 will be due for any journeys totalling 1.5hrs or more, with an additional £10 for every 30mins thereafter. Both journeys to and from your venue are chargeable.

Out of regular working hours/days, along with multiple location set ups are also chargeable and will be included in your price quotation, or will be added on if notified at a later date.

### MULTIPLE LOCATION FEE £30

This will be added on for any booking that requires the makeup artist to pack away their kit, move location of any sort including a room change, and re set up their kit again during a booking. We will need to know this upon booking so we can allow for the extra time that will be needed for this.

### ADDITIONAL ARTIST FEE £40

An additional artist may be required for larger bridal parties, to accommodate you not having to start getting ready so early. An additional artist may also be required for medium sized bridal parties if timing or location / venue restrictions apply.

It's important that we have the correct details including numbers of faces and timings in advance, so we can schedule an additional artist if needed, as we cant guarantee we will be able to always add an additional artist onto your booking at a later date.

### BRIDAL PARTY TRIALS £60

Any member of the bridal party can book in a trial if wanted, these are up to 70 mins in length each.

### ADDITIONAL BRIDAL TRIAL £70
